

ICMMA2022

KI(ET) 한국세라믹기술원
KOREA INSTITUTE OF CERAMIC ENGINEERING & TECHNOLOGY

The 16th International Conference on Multi-functional Materials and Applications 24-25 November, 2022

Korea Institute of Ceramic Engineering and Technology, Jinju, KOREA

Organized by

Convergence Transport Materials Center, Korea Institute of Ceramic Engineering and Technology, KOREA

Anhui International Joint Research Center for Nano Carbon Based Materials and Environmental Health, Anhui University of Science and Technology, Anhui, CHINA

Supported by

Korea Institute of Ceramic Engineering and Technology, KOREA

Co-organizers

Hanseu Univ.

Bengbu Univ.

Anhui Univ. Sci. Technol.

Journal of Multifunctional Materials & Photoscience

Anhui Univ.

Yancheng Institute. Technol.

Anhui Jianzhu Univ.

Suzhou Univ. Sci. Technol.

KhonKean Univ.

Sun Moon Univ.

Nakhon Si Thammarat Rajabhat University

仁荷大學校

International

Journal of Multifunctional Materials & Photoscience

The International Multifunctional materials and Photoscience society

Editor-in-Chief : Prof. Dr. Won-Chun Oh (Hanseu University, Korea)
Web Site : www.ijpcs.org

Welcome to...

지이엠 (G2M)

1. 실험기자재,
2. 시약, bulk 자재
3. Pilot 자재 기획 설비
--- 빠른 대응과 연구 know how
